Peachy,

Saysh footwear is a new brand founded by Allyson Felix, the most decorated track & field athlete of all time with 11 Olympic and 20 World Championship medals. Despite her success, she was forced to make a choice between her career and her family when her longtime sponsor offered her a 70% pay cut after she became pregnant. She spoke out publicly and through her advocacy started an industry-wide change that offered maternity protection, guaranteeing athletes' pay and bonuses through, and after pregnancy. Allyson created Saysh when she found herself without a shoe sponsor when she pursued a place on her fifth Olympic team. Saysh footwear is designed for women by women. We are proud to carry Saysh and they can be found exclusively in our [Decatur](#) location (the only location in the entire state of Georgia)!

Our [Decatur](#) location has the Saysh One, an everyday, multipurpose shoe designed to take you from your jog to your gym session, to your day job, to your dinner party. The Saysh One uses a new technique that allows weaving in transparent layers, creating the illusion of lines wrapping across the foot for a unique and elegant look. Expect a comfortable, supportive, cushioned feel and a flattering fit that looks great. Stop by our [Decatur](#) location or shop [online](#) and check them out for yourself!
